Activities & Volunteer Fair 2009

Registration forms are being accepted for the Activities & Volunteer Fair (<http://www.bradley.edu/sao/2009actfairreg.pdf>) which will be held during Welcome Week. Make sure to turn in your form before the end of the semester to secure your organization a spot in this great event.

Welcome Week 2009

Believe it or not, planning has already begun for Welcome Week 2009! If your organization is planning on hosting an event that week, please let me know so I can add it in. A tentative schedule is available at <http://www.bradley.edu/sao/>. Also, please make sure you stop by the SAO to reserve a location for your event. That is a very busy week and we need to make sure you have the space you need.

Student Organization Office Space

Student organizations needing space for meetings, study groups, work area, etc. are invited to apply for an office in Sisson Hall. Applications are available on the SAO website <http://www.bradley.edu/sao/>. All student organizations who currently have an office must reapply so we know you plan on continuing to use the space provided. Deadline for application is April 30.

Homecoming 2009

Planning has also begun for Bradley's 2009 Homecoming scheduled for September 30-October 4. This year's theme is Fiesta de Bradley. If your organization would like to host an event or assist with the planning of the week, please contact Christina Castro (ccastro@bradley.edu) or Kelsey McClellan (kmcclellan@bradley.edu) who are coordinating on behalf of ACBU.

Organization Registration

If your organization will be selecting new officers this spring, please make sure you let them know they need to complete a student organization registration form and turn it into the Student Activities Office. This will assist us in distributing information to the correct contact. Forms are available at

<http://www.bradley.edu/sao/policies/regform.shtml>. Once the form has been completed, it needs to be printed and signed by the new officers and the advisor before it can be turned in.
